

# 2015 HARAMBEE

## HOST YOUR OWN HARAMBEE

Please join us in celebrating all that has been achieved for Africa's wildlife over the past 38 years. By holding your own Harambee breakfast, lunch or dinner, you can still be a part of DSWT's flagship event this year and help raise vital funds and awareness for Kenya's wildlife!

---

### Plan your event & fundraise

- **Choose a date.** Our Harambee Gala Dinner in London will be held on the evening of Friday 25th September; however you can pick any date that works best for you, your friends and family.
- **Pick your location/theme.** Choosing a theme is a great idea and will add an exciting spin to your event—for example African, elephant, nature or wildlife. Whether it's a small gathering with close friends and family or a larger sit down meal at your home, big or small, your Harambee event will make a huge difference.
- **Raise funds.** You could ask your friends and family to make a donation to attend your Harambee event or encourage them to foster an elephant during the event. If you plan your event on Friday 25th September, you and your guests can take part in the DSWT Harambee auction, which is open to online bids live from London. Visit [www.thedswt.org.uk/gala2015](http://www.thedswt.org.uk/gala2015)
- **Tell us.** We are here to offer advice so please feel free to contact us for any DSWT materials you feel would help. Following your event, please let us know how it went with photos and updates. We want to involve as many people as possible!

Thank you for taking action for elephants.
